

# WE'RE GOING BAREFOOT SO THEY DON'T HAVE TO.

## What is One Day Without Shoes?

Cornhusker Bank started One Day Without Shoes in 2011 as another way to give back to the community. In 2020 we began a partnership with Stephen Center in Omaha, to mirror our partnership with People's City Mission in Lincoln. In the ten year history of the event, we have collected over 182,000 pairs of shoes and monetary donations totaling over \$87,000 for the Mission and Stephen Center.

We are looking forward to the generosity of the Omaha community on behalf of Stephen Center to help Omaha's people in need.

One Day Without Shoes is a collaborative effort with local businesses who volunteer to help the bank collect new and wearable used shoes for free distribution by Stephen Center. These shoes are important to someone whose sole form of transportation is their ability to walk. Beth Robbins, Stephen Center Shelter Director noted, "The look on the faces of our clients when we provide them with shoes is priceless, providing them with joy they may not have felt in a very long time." All shoes and any cash donations collected in Omaha will stay in Omaha for distribution.

## Be Part of the 2021 Event

Please consider being a part of the One Day Without Shoes Event in 2021 by becoming a collection site for this 2 week community campaign. A collection box will be delivered to your location by Two Men and a Truck and picked up for distribution at Stephen Center at the end of the campaign. Specific dates are listed below. All businesses who contact Cornhusker Bank for a collection box will receive recognition in Event Advertising. Participating businesses will also be invited to join us at the ribbon cutting of Cornhusker Bank's new location at 111th and Blondo, on April 29th, 2021 at 3 pm.

Complete the form on our website to partner with us and collect shoes at your organization:
